

WHEN YOU CHECK OUT...

Thank you so much for choosing our home as your vacation destination! Remember next time to visit us at offthebeachinpath.com to book directly and avoid the service fees

As you leave we would appreciate you doing a few things to ensure the home can be ready for the next guests.

1. Place any wet towels in bathtubs or showers
2. Do not leave anything wet lying on the hardwood floors
3. Take the main trash (and any trash containing food or sanitary items) to the trash cans by the driveway
4. Place dirty dishes in the dishwasher and start it
5. Spray excess sand off golf cart and plug it in
6. Leave the pool wristband and golf cart keys on the kitchen island
7. Return any chairs that were moved to their original location
8. Do a final walk-through to make sure nothing personal is left behind
9. Lock all the doors and have a safe trip home!

Thank you and we hope to have you back soon!
